

# Health Insurance Enrollment Checklist

## What You Need to Enroll

Here's a list of some information you'll need to have handy to complete your enrollment and take advantage of any tax credits:

- ✓ Your **social security number** (or document ID number if you're a legal immigrant)
- ✓ Information about your **current income**—either a pay stub, your W-2 tax form, or your most recent tax return
- ✓ Details about any **other income**, such as unemployment checks, child support, veterans payment, alimony, retirement income, etc.
- ✓ The number of **people in your household**—this is the number of people who you'll claim as dependents, whether or not they live with you

If applicable:

- ✓ Information about your **student loan interest**
- ✓ Information about your **current health coverage**, if you have a health plan now
